

Contact Info	
Name	Dinh Huan Vu
Acedemic Position	Lecturer
Acedemic Degree	Master
Office	Department of Automotive Electronic
Building	Automotive Electronic Office
Phone	+(84) 908 850 150
Email	huanvd@hcmute.edu.vn

Fields of Expertise / Research Interests

Internal Combustion Engine Control
 Vehicle Dynamic Control Systems
 Hybrid Electric Vehicle
 Educational Model Design

Education Career

2009: Engineer Degree, major “Vehicle Engineering” in HCMUTE (VN)
 2013: Master Degree, major “Vehicle Engineering” in NTUT (TW)

Publication

No	Project title/Field of research and application	Date of completion	Project level	Responsibility
1	Design and assemble basic of Vehicle Electric and Electronic module for Education	2010	HCMUTE University distinguished project (T2010-24)	Director
2	Calculating and Modeling Vehicle Dynamic Control Systems using MATLAB Simulink	2015	HCMUTE University distinguished project (T2015-65)	Director
