

Contact Info	
Name	Chau Quang Hai
Academic Position	Senior Lecturer
Academic Degree	Master
Office	Department of Internal Combustion Engine
Building	Internal combustion engine office
Phone	(84)903374183
Email	haicq@hcmute.edu.vn

Fields of Expertise / Research Interests

- Intenal combustion engine
- Diesel engines
- Vehicle Diagnosis

Education Career

1987: Engineer Degree, major “ Automotive Engineering” in HCMUTE (VN)
 2002: Master Degree, major “Aeronautical Engineering” Liege University

Publication

No	Project title/Field of research and application	Date of completion	Project level	Responsibility
1	VE-EDC model in Diesel engine	2007	HCMUTE University distinguished project	Director
2	Simulation of PLD system	2011	HCMUTE University distinguished project	Director
3	Simulation of UI-UP system	2012	HCMUTE University distinguished project	Director
4	Simulation of VE-EDC fuel system in engine	2013	HCMUTE University distinguished project	Director
5	Simulation of common rail fuel system in engine	2014	HCMUTE University distinguished project	Director
6	Model of Komatsu engine with in-line pump	2015	HCMUTE University distinguished project	Director
