

### Contact Info

Name	Dinh Tan Ngoc
Academic Position	Lecturer
Academic Degree	Master
Office	Department of Internal Combustion Engine
Building	Diesel Engine workshop
Phone	(084)167.9035.536
Email	ngocdt@hcmute.edu.vn

### Fields of Expertise / Research Interests

- Gasoline Engine
- Diesel Engine
- New Energy

### Education Career

2011: Engineer Degree, major “Automotive Engineering” in HCMUTE (VN)

2014: Master Degree, major “Vehicle Engineering” in HCMUTE (VN)

### Publication

No	Project title/Field of research and application	Date of completion	Project level	Responsibility
1	Applying Multimedia to simulate the fuel system in diesel engines	2013	HCMUTE University distinguished project	Director
2	Commonrail System In Printer Mercedes Engine (311CDI Engine)	2014	HCMUTE University distinguished project	Director
3	Researching and avaluating some new methods to determine engine speed.	2015	HCMUTE University distinguished project	Director
