

Contact Info

Name	Tran Dinh Quy
Academic Position	Senior Lecturer
Academic Degree	Master
Office	Chassis and Body Department
Building	Chassis and Body Department
Phone	+(84) 38968641 ext
Email	quytd@hcmute.edu.vn

Fields of Expertise / Research Interests

Automotive Chassis: Theory & Design
Vehicle dynamics

Education Career

1987: Engineer Degree, major “Motor Vehicle Engineering” in HCMUT (VN)
2002: Master Degree, major “Motor Vehicle Engineering” in HCMUTE (VN)

Publication

No	Project title/Field of research and application	Date of completion	Project level	Responsibility
1	Programming for evaluating traction dynamic of a motor vehicle	2011	HCMUTE University distinguished project	Director
2	Programming for calculating a clutch	2012	HCMUTE University distinguished project	Director
3	Programming for calculating a propeller shaft of motor vehicle	2013	HCMUTE University distinguished project	Director
4	Programming for calculating number of teeth of gears in a manual transmission	2014	HCMUTE University distinguished project	Director
