

Contact Info	
Name	Lai Hoai Nam
Academic Position	Lecturer
Academic Degree	Master
Office	Department of Heat and refrigeration technology
Building	Department of Heat and refrigeration technology
Phone	+(84) 985.956.123
Email	namlh@hcmute.edu.vn

Fields of Expertise / Research Interests

Heat technology
Refrigeration technology

Education Career

2006: Engineer Degree, major “Thermal technology” in HCMUTE (VN)
2010: Master Degree, major “Mechanical Engineering” in HoChiMinh City University of Technology (VN)

Publication

No	Project title/Field of research and application	Date of completion	Project level	Responsibility
1	Calculating, designing and creating 02 stages freeze refrigerator model has 03Hp power use to teaching.	2012	HCMUTE University distinguished project (Code: T2012-12)	Director
2	Designation, creation electric control system for 02 stages freeze refrigerator model.	2014	HCMUTE University distinguished project (Code: T2014-62)	Director
